

Select Drugs and Products ProgramSM

At Magellan Rx Management, we are partnering across the industry to provide a connected healthcare experience that truly leads humanity to healthy, vibrant lives. We are dedicated to giving you the best service and resources to help you and your family make better healthcare decisions.

The **Select Drugs and Products ProgramSM** is administered by *paydhealth* and is designed to improve access to specialty drugs. This program will assist you in reducing the cost of your medication by seeking sources of alternate funding for specialty drugs on the Select Drugs and Products List.

You must specifically enroll in the Select Drugs and Products Program in order to take advantage of these benefits. All specialty drugs listed on the Select Drugs and Products List require that you seek prior review and that your case be submitted to alternate funding before your benefit will apply. If you do not participate in the program, you will have a 100% reduction in your payable benefit for specialty medication.

If you are taking a specialty drug, you will be contacted by a Program Case Coordinator. Your Case Coordinator will provide you with further information regarding the Select Drugs and Products Program and walk you through the enrollment process and requirements. If you have any questions regarding the Select Drugs and Products Program, please call the Specialty Contact Center at 877.869.7772 (8:00 a.m. – 8:00 p.m. EST).
